Greetings Family,

I do hope you are staying well and warm. This is sure a winter we will not soon forget, two snows, a flu season already on record for one of the worst, and a virus that is almost just as bad as the flu, and cold one minute and warm the next. These are days that try men's souls!

But in the midst of all this is the greatness of our God who cares and loves us deeply and provides for us even in the midst of dark nights of the soul. Thank you Jesus!

As we prepare to move into another month of this new year, there are a number of opportunities to join together as the family of God to "be the Heart of God in the Heart of the community and beyond, "by Baptist Men's Day this Sunday, ministering to the teachers at Bunn Elementary School feeding them breakfast, youth- super bowl gathering, steak dinner, cookies on mission, Baptist Women's Day, and family meal and others. Plan now to be a part of what and where the Lord has called you!

Wanda and I are taking a couple of days off to celebrate our 47th wedding anniversary! As we get closer to that 50th mark, I stand amazed by the miracle the Lord God has wrought in our lives as we began as young marrieds, still in our teens, on a journey only the Lord knew and knows where He would take us and where and when it will end! I still marvel today at how Great our Lord God is in saving one like me and calling one like me to preach the unsearchable riches of Christ, and how He would take this young couple and turn our lives around into the most rewarding adventure and journey of a lifetime. I've shared with you, that Wanda did not marry a preacher, had she known that, well only the Lord knows! I am glad she and the Lord has been merciful on this country boy and loved me with a love beyond measure!

Permit me this personal privilege, "Babe" I thank you and the Lord for loving me these many years! I pray we will have many more! I love you! Happy Anniversary!

Pastor Don

Hello, everyone!

I am so excited to say that this new year is off to a great start. With the snow days, our plan to bless the teachers of Bunn Elementary School with breakfast was postponed. We have rescheduled for an early morning (7:00am) time on Wednesday, February 14th! If you are interested in helping, please plan to meet in the Bunn Elementary School library at 7:00am that day.

We are already in full-gear moving towards our 2018 Glow Hunt! The children's council will be collecting plastic Easter eggs throughout the month of February. Please place your eggs in the bin located in the back sanctuary hallway. If you are interested in volunteering on the night of the glow hunt, please sign up on the signup sheets located by the nursery.

Our Sunday night small groups are back in action and the kids of Operation PBK are having a BLAST! If you have children or grandchildren who would like to join in on the fun, please drop them off on Sunday evenings at 6pm in the large room of the FLC.

PM Squad, RAs, GAs, and Mission Friends are back in action and engaging more children than ever before! We are always looking to expand our busy crew of volunteers. See me if interested.

Please continue to pray for the children of our community. Pray that the investment we make in families here at Pilot Baptist Church glorifies God and leads them closer to Him.

Thanks and I can't wait to serve our Father with you all through 2018!
