Greetings Family, I am so excited about what God is doing here at PBC and certainly want to see Him continue, and I know you do also. I know you are praying for God to move and I ask you to continue those prayers. I believe we will see God move mightily all year long as we are faithful to Him and His Word!

Henry Blackaby has said, when you find where God is at work, go and join Him. Well, God is at work right here at PBC in Zebulon, NC. I trust you will continue to join Him as we continue to move forward seeing Him do a mighty work ins and through us. I also trust you will continue to give to support his work here at PBC and thank you for all you do give.

Around the corner is Mother's Day and Memorials Day, then the summer and graduation and vacations and VBS and before you know it school will be back in and vacations over. It will be short time frame. Our nominating committee is hard at work and preparing for the new church year right around the corner. I trust you are praying where the Lord would have you join Him in service here at PBC. I also pray that you will let us know where you believe the Lord would have you serve Him here.

Family, check out the web site and see the new opportunities to give and register for the many things going on here in Pilot church and community! Remember we are the Heart of God in the Heart of the community and Beyond!

I love you PBC family!
Pastor Don

Blessings Church family,

April was an amazing month. Celebrating our LORD's death/burial/resurrection places an exclamation point on the GOSPEL! We will rise because Jesus rose. We are victorious because Jesus is victorious. We are an heir of God because Jesus is an heir. We are holy in God's eyes because Jesus is holy. We can go on and on; but the truth remains – we are to be like Jesus.

How do we know that? Romans 8:29: "...to be conformed to the image of His Son..." Jesus has done everything to make us like Himself. Our minds need to be reminded of that fact (Romans 12:1 – 2, 1 Peter 1:13 – 21). One of the Holy Spirit's jobs is to bring out Jesus in you (John 16:14). So, get in the Word; know the Word; memorize the Word; and let the Word get in you!

What better way to know the Word than to be involved in Sunday morning Bible study! I urge you to find a class this Sunday and get involved. There are so many great classes to choose. Soon we will be taking an interest survey for upcoming Fall small groups. Please take time and fill out the interest questionnaire when you receive it. Pray for the Lord's leadership as we seek to grow in Him and be more like Him.

May reminds us that Mother's Day is coming soon! May 14th to be exact. That day we'll be having a Ladies/Girls choir. Rehearsal for that choir will be Wednesday night, May 10th at 8:00pm in the Family Life Center. Also, we will rehearse Sunday morning, the 14th, at 9:30am in the Family Life Center. Any lady/girl school age and up is invited. Please come fill the choir loft.

Also that day our Children's Choir be singing! So, you don't want to miss this special day as we honor/remember our mothers.

Blessings, Boyd

Mission Happenings May 2017

What an awesome time we had in preparing the Easter baskets for the foster children and children in the MATCH program. We filled 16 baskets with lots of goodies from bible story books to bubbles and chocolate candy of course. Thank you for helping to provide items to fill the baskets. It is our prayer that each child who received one of those will come to know the saving love of Jesus Christ our Lord and Savior.

We have honored the parents at the daycare with an on the go breakfast, Muffins for Moms and Doughnuts for Dads (Krispy Kreme no less). We also provided them with a scripture card that was created with the adult coloring the ladies did at one of our meetings. Many parents were very uplifted by this gesture and commented as such. It was a very rainy dreary Monday morning heading back to daycare after the weekend so a little pick me up was just the thing for the parents as they headed off to work. Thank you to all who had a part in preparing for this event, from praying over it to packing doughnuts in sandwich bags, it all goes for God's glory. Thank you for being the hands and feet of Jesus.

We are continuing to receive the AAEO with a church goal of \$4000. To date we have received \$3245.00. It is not too late to give if you have not had the opportunity to do so. Remember all money given goes directly to be used for missionary work being done through the North American Mission Board.

Don't forget to join us on May 2nd at 7 pm in the annex for our next Women on Mission meeting. Hope to see you there.

Blessings to you!

Leanne

Hello, there!

It is amazing to feel God moving in one's life.

This week, I was thinking that so often we get stuck in the routine of things and fail to notice the truly amazing things God is doing in our lives and in our communities.

Our Easter Egg Hunt was a huge success. We had over 400 bodies move through the Family Life Center on April 8th. That is truly a monumental affirmation from God that we, as a church, are doing His work. Whenever we have the opportunity to share the gospel with that many people, it is a good day!

This month is also full of excitement for our Children's Ministry. We are working together as a church community to bless those who impact the lives of our community children daily at Bunn Elementary School. On Tuesday, May 2nd, we will be setting up a snack room and offering surprise gift tickets to every staff member. Thank you, thank you, THANK YOU, to those who contributed to this cause.

May 20th, we will be having our second annual parent's night out! This evening is a way for us to bless the parent's in our community with time for them to go and work on their relationship with each other while we love their children. Children will participate in activities such as interactive Bible study, dinner, themed crafts, snacks, and a movie. From 5pm-9pm, children will be engaged in fellowship with one another in God's house. Please see me if you are interested in serving that evening. We need people who are specifically gifted in the areas of crafting and children supervision.

Vacation Bible School is just around the corner! Please see the signup sheet behind the sanctuary and find the place where you feel called to serve.

Thanks so much for your endless outpouring of love to me, my family, and the children of this church.

We are forever grateful that we found Pilot Baptist and are so excited to see what the future holds.

All for God's glory, Jamie
